Dear Resident/Neighbour,

**INVITATION TO VIEW REVISED PROPOSALS FOR THE REDEVELOPMENT OF  
THE FORMER SALVATION ARMY ROOKSTONE CARE HOME AND HAVEN  
CHILDRENS HOME**

I write to invite you to come and find out more about the new revised proposals for the development of new residential properties at the above site (outlined approximately in red on the above map).

A presentation of the new proposals will take place on **Thursday 4<sup>th</sup> September, 2014 between 4pm and 8pm at the former Rookstone Care Home building**. Plans will be available and representatives will be present to answer any questions you may have.

This is a good opportunity for local residents and businesses to view the plans and give feedback.

If you cannot make the exhibition, you can find out more by contacting me or my colleague Lee Jameson on **0207 242 0170** or by emailing [lee@polityuk.com](mailto:lee@polityuk.com) I do hope that you will be able to make the session next Thursday.

Yours sincerely,

**Martin Hughes**  
Director
